THE PARTY ZONE wants your Prom to be something your school will never forget. An event full of memories you and your friends can look back on with fond memories. A School Prom cannot just have a "DJ". It must have a Master of Ceremonies. We spend countless hours beforehand meeting with your Schools committee to find out exactly what kind of Party is your students perfect Prom. What we've learned over the past 25 years and over 1000 Events is that no two School Dances are alike. Each School envisions their dance differently. Whether you're planning an elegant affair, a nice intimate informal event, or an all-out extravaganza....We want to be the ones to make it happen.

No detail will be missed. From the Announcement to the King & Queen to the last dance. From the awards to the speeches. YOU get to decide exactly how your Schools Prom will transpire. We will sit down with your school well in advance to speak with your committee about your musical tastes and make sure that all your favorite songs will be played. We are proud to say that we bring an extensive collection of over 40,000 songs to every event. This ensures the best chance that we will not only have all your song requests, but all the songs requests from your students that might get asked for spontaneously throughout the event.

It's all about your School and its students and what we can do to make sure your Schools Prom celebration is spectacular.
